Where did you learn about BB2? \_\_\_\_\_

Has your child attended BB2 before: Yes / No How many years? \_\_\_\_\_

BB2 is an active camp; all campers are expected to take part in all activities unless unable to due to medical reasons. If there are any activities in which the camper should not participate please list them below:

\_\_\_\_\_

Is there anything the counselor or camp office should know about the camper? (medical, physical,emotional) \_\_\_\_\_

Is camper taking or likely to be taking any medication on a regular basis? Yes \_\_\_ No \_\_\_ (\*Ritalin, Cylert, etc., especially important for camp to be aware of)

**Activities and Risks** Camper and Parent understand that BB2 Camp offers a variety of activities, including vigorous sports and games, gym sports, field sports, target sports, exercise, fitness, and other activities, including crafts, science experiments and creative projects. A list of the activities offered has been made available to us, and Camp activities are described, including photos, in the BB2 Camp.

We understand that all campers are expected to participate in all activities unless the Camp is advised in writing by a Parent that a medical condition prevents participation.

Risks of Camp activities are inherent in the BB2 Camp experience; that is, they cannot be eliminated without significantly altering the nature of the activities and reducing their value and appeal. These risks include those associated with the elements of nature, including heat, cold, rain, wind, lightning and fire; falls and abrupt and forceful contact with manmade and natural structures; close personal contact and physical trauma associated with sports and other recreation; errors of judgment, failure to follow instructions, and careless conduct of other campers, staff and other persons with whom the Camp may contract for certain services; and other risks ordinarily associated with camp activities and vigorous recreation in a rugged outdoor environment. Campers may suffer cuts, fractures and sprains, insect, and other animal bites, plant and other allergies, food and water related ailments, trauma from contact with other persons and objects, heat and cold from exposure to the natural elements, emotional upset and, in extraordinary cases, death, including by drowning. Other risks may be encountered, of course.

**Acknowledgement and Assumption of Risks** Camper and Parent understand the activities and risks of the Camp experience, including those described above. Camper and Parent (Parent, for himself or herself and on behalf of Camper), acknowledge and assume all risks of Camper's enrollment and participation in the activities of BB2 Camp, whether or not described above, and inherent or not.

**Release and Indemnity** Parent, for himself or herself, and, to the maximum extent allowed by law, on behalf of the Camper, agrees:

a) to release, and not to sue, BB2 Camp, its owners, directors, staff (including volunteers and visiting instructors and clinicians) and independent contractors (each hereinafter a "Released Party") with respect to any and all liability and claims, for property loss, personal injury, death or otherwise, arising in whole or part from Camper's enrollment or participation in Camp activities or presence on Camp premises.

b) to hold harmless and indemnify (meaning to protect and pay claims and damages, including costs and attorneys fees) the Released Parties and each of them from and against all claims, by whomever they may be brought (including family members, fellow-campers and others) arising in whole or part from a loss incurred by Camper or caused by Camper related to his or her enrollment or participation in Camp activities or presence on Camp premises.

c) These agreements of release and indemnity include, but not exclusively, claims based in whole or part on a Released Party's alleged or actual negligence (but not gross negligence or intentionally wrong conduct).

**Other** a) Camp rules must be strictly observed and Camper may be dismissed from Camp, and sent home, in the event of violations of these or other requirements of the Camp administration.

b) If Parent cannot be reached, or circumstances do not permit efforts to locate Parent, in a situation which the Camp considers a medical emergency, Camp directors are hereby granted permission to secure medical treatment for Camper, which may include (but is not limited to) hospitalization, surgery, ordering of injections, anesthesia and other medical care, including exchanging medical information with a third party care giver.

c) If a dispute arises between Camper or Parent and the Camp which cannot be resolved by agreement, Parent, for himself or herself and on behalf of the Camper, agrees to submit the dispute for mediation to a mediator registered with or otherwise recognized as such by the Courts of Cameron County, Texas, where such mediation shall be conducted.

d) Parent hereby gives permission to the Camp to use photographs, videos or other images of Camper for such purposes as the Camp deems appropriate, including promotion and marketing of the Camp.

e) The laws of the State of Texas (but not the laws that might apply the laws of another state) shall govern this agreement and all other disputes between Camper, Parent and the Camp or any other Released Party. Any suit that might be filed against the Camp or any Released Party must be filed only in Cameron County, Texas.

Parent has read this agreement carefully and understand its terms.
