

Dear Parents and Families:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- *Set the example. Let children see you read.*
- *Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.*
- *Support our school's Book Fair. Allow your children to choose their own books to read.*

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.
